

About the Speaker:

For over thirty years, Dr. Bocar has worked with families in all phases of lactation, and helped develop the Breastfeeding Resource Center at Mercy Health Center in Oklahoma City.

Dr. Bocar is an International board Certified Lactation Consultant (IBCLC). She served on the original panel of experts that developed the International Board of Lactation Consultant Examiners' certification process in 1984 for IBCLCs.

She has developed numerous continuing education programs for health care providers and frequently presents breastfeeding programs nationally and internationally. She has served as a consultant to the Lactation Consultant Department of La Leche League International.

Certification Information

Certification as a breastfeeding educator provides an added credential, validating special knowledge and skills for employers, professional colleagues and consumers. It communicates that the breastfeeding advocate has completed a comprehensive course and is prepared to assist breastfeeding families with normal lactation and with common breastfeeding challenges.

The title "*Certified Breastfeeding Educator™*" is a trademarked title that can only be conferred by *Lactation Consultant Services™*.

Location

Columbia Regional Hospital
Health Pavilion
404 Keene Street
Columbia, MO 65201

From I-70 East or West: Take the 63 South Exit and turn left on to the east side outer road by Fridays. Turn right on Keene Street.

From Hwy 63 North or South: Take the east side outer road by Fridays and turn right on Keene.

Conference Center
Is located on the right side of Columbia Regional Hospital

Parking in front

Personal Comfort:

Dressing in layers is recommended to increase your comfort when the room thermostat is adjusted for the comfort of the majority of participants. The room will be kept cooler than warmer.

Many participants bring a pillow and/or lumbar support to increase their comfort while sitting for many hours.

Since participants sit in close proximity and perfume can trigger a migraine headache in some participants, please avoid wearing perfume and scented personal care products while at the conference.

Continuing Education Units (CEUs)

This continuing nursing education activity has been submitted for approval to the Missouri Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on accreditation (ANCCA). Approval has been requested for 22.7 continuing education units (CEUs). An Additional 2.3 CEUs have been requested for completing the optional certification process.

Participants may earn up to 25 CEUs and 25 L-CERPs for this program. Participants may select to complete Certification as a Breastfeeding Educator (\$25 Fee) and must:

1. Attend the 3 day Breastfeeding Educator Program
2. Complete a clinical role play demonstration with an oral discussion of the management of common breastfeeding challenge
3. Complete a 50 item multiple choice examination

Certification can be completed the 3rd day and is in effect for 5 years. Certification and Recertification is awarded by Lactation Consultant Services. For more information about the program content and agenda visit our website at:
